## Planning Ahead

GreenWaste does not collect on Thanksgiving Day. If your regular collection day falls on or after Thanksgiving, your collection will be delayed by one day.
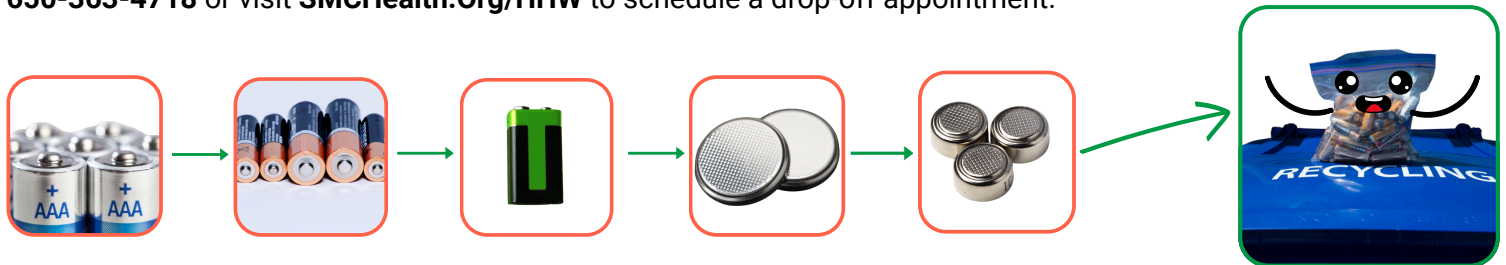

Clean Up Event

Your next Clean Up Event is Saturday, November 2nd, 2024. Be on the lookout for your postcard with more details. Reminder: To help the Clean Up go more smoothly and keep our staff safe, we are asking that you bundle or containerize your yard trimmings. For more info, visit: **WoodsideCA.Gov/TownCleanup**

Thurs 11/28	**Fri 11/29**	**Sat 11/30**
No Service	Service for Thursday	Service for Friday
Thanksgiving Day	Customers	Customers

How to Properly Dispose of Household Batteries

Never place used batteries, including devices with embedded batteries, in any of your GreenWaste carts. Batteries are considered household hazardous waste (HHW) and can cause fires when not handled properly. Make sure your used AA, AAA, 9-volt, and small lithium-ion batteries have their terminals taped and are placed in a sealed, clear, and tear resistant bag on top of your blue recycling cart on your collection day. Be sure to use clear packaging or electrical tape (no scotch tape) and ensure button batteries are fully taped on both sides.

Have other batteries or household hazardous waste you want to get rid of? Call San Mateo County Health at **650-363-4718** or visit **SMCHealth.Org/HHW** to schedule a drop-off appointment.

GreenWaste 2023 Sustainability Report

GreenWaste is excited to announce our 2023 Sustainability Report! This year's report highlights the significant sustainability progress we have made in 2023. In 2023, we decreased our total combined Scope 1 and Scope 2 GHG emissions by 36.3% from our 2022 baseline and with your help, diverted more than 1.3 million tons of material from disposal.

How to Properly Dispose of Charcoal

1. Allow charcoal to fully cool. Never place hot charcoal into your GreenWaste carts or near anything that could catch fire.

2. Put cooled charcoal into an empty bag or container.

3. Place bagged/containerized charcoal into your gray cart.
