Bulky Item Collection & More

Did you know GreenWaste offers services beyond your weekly scheduled collection?

GreenWaste provides technical assistance to all multi-family customers for right-sizing your container, contamination and illegal dumping prevention strategies, diversion education, and more. Call Customer Service and ask to speak with an outreach coordinator.

Complexes are eligible to participate in our bulky item reuse collection program. The property manager can request up to three bulky item reuse collections each year at no additional charge. Tenants may not schedule bulky item pick-ups themselves.

Complexes may call Customer Service at **831.920.6707** to schedule collection outside of regularly scheduled service days for an additional charge.
