## Keep HHW and Batteries Out

**Household Hazardous Waste (HHW) cannot be put in any of your GreenWaste containers.** HHW includes chemical cleaners, paints, oil, batteries, electronics, and products with warning labels like “Danger,” “Caution,” or “Poison.”

Protect your community and the environment from fire hazards, water pollution, and injury by safely disposing of HHW for free at ReGen Monterey’s Household Hazardous Waste Facility. Learn more at [www.ReGenMonterey.org/HHW](http://www.ReGenMonterey.org/HHW) or by calling **831.264.6386**.

Curbside cart customers may recycle your batteries curbside by placing household batteries in a clear zip-type plastic bag and place on top of (not inside) your recycling container.

*\* Household batteries include AA, AAA, C, D, 6-volt, 9-volt, camera batteries, nickel cadmium and lithium ion.*

### HHW Includes:

**Batteries (household\* & automotive)**

**Paint, stain, varnish, solvents**

**Cleaning chemicals**

**Pool & spa chemicals**

**Antifreeze**

**Electronic devices**

**Cooking grease, tallow**

**Motor oil & used filters**

**Propane canisters & fuel**

**Pesticides, herbicides, fertilizers**

# Bulky Item Collection & Extra Waste Stickers

Did you know GreenWaste offers services beyond your weekly scheduled collection?

GreenWaste provides services to assist with extra materials and items that cannot be disposed of in your curbside carts. Residents receive ten "Extra Garbage" stickers and ten "Extra Yard Trimmings" stickers at the beginning of each calendar year.

Residents may also schedule pick-ups for household batteries, car batteries, used oils, and water-based paints. Contact Customer Service at **831.920.6707** for details and to schedule a pick-up.
